## MESSAGE FROM THE LEADERSHIP TEAM

Dear Athlos families,

Thank you for taking the time to participate in our parent feedback surveys. We strive to foster a community where parent feedback is valued and used to continually meet the needs of our students. We received so much positive, heartfelt feedback, as well as constructive feedback that we are addressing as a leadership team. Our goal is to keep these lines of communication open so we can provide the best possible educational experience to students.

Thank you again,

Your Athlos Academy of Jefferson Parish leadership team

## STAFF SPOTLIGHT: JANICE BLUNT

Hi, my name is Janice Blunt,

I've been teaching for twenty-five great years, from first to eighth grade. I'm married with three wonderful children.

My hobbies are plants, pets, cooking and kids.

My fun facts are traveling, dancing, game night with the family, R&B music, and basketball (LAKERS).

I like Athlos Academy because everyone is dedicated to the scholars; it's a world of technology and the staff and scholars are AWESOME!

## CLASSROOM FEATURES

We know it has been hard on parents who like to volunteer in the classroom, with COVID-19 restrictions keeping visitors from the building. We appreciate your understanding as we take every precaution to keep students and staff healthy. Here is a roundup of classroom photos from this week. We hope this peek into the school will help you feel more connected to the classroom!

You can find more photos on our Facebook and Instagram pages.

Remember to get active and track your miles. We are competing with other Athlos schools in the Athlos network to see which campus can "run" 4,800 miles first. A prize to the winning school will be announced soon.

We have partnered with our local YMCA to offer after school care to Athlos students beginning on October 5, 2020. If you are interested in registering for after school care, please sign up using the button below.

Registration began Monday, September 28. You will need to set up a free account to register. Transportation will be provided from the school to the YMCA. More details on transportation will be provided after you register for the YMCA program.

# BULLYING PREVENTION MONTH

Parents play a key role in preventing and responding to bullying. If you have recently witnessed or suspect an incident involving bullying, speak out and discuss it with school officials and parents immediately.

***Remember: Doing nothing only encourages more bullying.***
