Driveline: Student Safety First

At Athlos Academy, we strive to provide safe, timely and efficient drop off and pick up procedures for all of our students. Parents, please review the following Driveline procedures:

- Do not cut in line. Please enter Driveline from Behrman Highway and follow the driveway all the way around the building
- Do not speed. There are students and staff crossing the driveway.
- Do not drop your child off in the parking lot. It is not safe. After 8:10 a.m., students will be marked tardy and must be escorted into the building by a parent, as the security doors will be locked.
- Practice patience.
- Morning Driveline ends at 8:00 a.m.
- Afternoon Driveline ends at 4:25 a.m.
- Driveline procedures must be followed at all times.

We want to thank all the parents who provided suggestions on how to improve Driveline procedures. Remember, together we make our school excellent!

If you have any questions, you can contact the front office at (504) 290-2510.

The mission of Athlos Academy of Jefferson Parish is to provide high-quality educational opportunities for the whole child built on the three foundational pillars of Prepared Mind, Healthy Body, and Performance Character.
