MESSAGE FROM THE EXECUTIVE DIRECTOR

Greetings Athlos Family & Community,

As we embark on the last week of our first year together, there is a sense of pride in looking back at all we have accomplished.

We have all grown together throughout the year as we established new procedures and practices at our school. You have all shown grit as we implemented so many new procedures at Athlos. We are especially thankful for all of our families that displayed optimism, energy and zest during the Driveline and bus company transition!

I am especially thankful for so many families that have demonstrated creativity and leadership as you volunteered and provided assistance at various events at the school. I look forward to many more activities to invite families into the building as we work together to enrich your child’s education. I am optimistic that our PTO will gain even more family members, as well as teachers, to come together to plan and host events in the future.

I look for next year to include even more camaraderie as we continue to refine our school. I encourage each of you to take time to think about what went well this year and what we need to improve for next year to be even more victorious. We will be able to share these thoughts at future Coffee and Chat events to prepare for the 2019-2020 school year.

As we look to next school year, I hope we all have optimism for what the year will bring. Our staff members will be reflecting on our practices and planning how we will refine as well. Get rest this summer and enjoy peace and your families!

THANK YOU all for making Athlos great!

Keisha Rogers

Executive Director

REMINDER: UNPAID MEAL BALANCES

The school has currently reached a significant unpaid meal account balance. Unpaid meal account balances are a cost to the school and take funds away from educational resources. We would like to reduce this amount by the end of the year.

If your student has an unpaid balance, we ask that you pay it by May 31. You can make payments by dropping off a check or cash to the front office or by logging on to EZSchoolPay.com and entering your student’s ID.
