

# TRITON WEEKLY

## UPDATES!

Packet pick up will be 9 a.m. to noon Mondays and Wednesdays through Driveline. Please enter to the left of the building. Distribution will be through the meal service grab and go line. Packets are due when school re-opens.

For recorded videos - click the Distance Learning Google link:

<https://docs.google.com/document/d/1JGdE5fKHH548K1Tje5tXZ4LXBbVgnXYnrV0vCZJG4KI/edit#heading=h.18bm8sx4rt5y>

This is a live link and will be updated daily and/or weekly with lessons and meeting times. Please bookmark this link as it is the central document for all distance learning.

## DISTANCE LEARNING FREQUENTLY ASKED QUESTIONS

**Q:** How can I get student work done if I can't access the meetings?

**A:** The teaching happens via the links for them to watch the pre-recorded video lessons. Teachers are also available during office hours. Please reach out directly to your child's teacher via e-mail if you are unable to access the recorded video or office hours.

**Q:** We are having issues accessing Zoom.

**A:** Please see our tutorial videos for accessing lessons and office hours on Zoom found in our Distance Learning document: <https://docs.google.com/document/d/1JGdE5fKHH548K1Tje5tXZ4LXBbVgnXYnrV0vCZJG4KI/edit#heading=h.18bm8sx4rt5y>  
Reach out to your child's teacher if you are still unable to connect.

**Q:** Teachers are receiving emails from parents who expect them to be available on the weekend.

**A:** Please review the Distance Learning link above regarding teacher's office hours. Teachers and staff are available during office hours and regular school hours only.

**Q:** My student is a kindergartener; how will their distance learning work?

**A:** The video lessons are being shared by the kindergarten team. Each teacher is responsible for lessons in one subject matter (i.e. math, ELA). If you click the lesson, there is only one video available for each content area. For office hours you can Zoom with any teacher that has office hours at the time you are logging in. Any of the teachers will provide assistance.

**Q:** My children were unable to access class yesterday or today. How can I get their work done if I can't access the meeting?

**A:** Students can access the pre-recorded videos at any time during the day. New lessons are available on Mondays, Wednesdays, and Fridays. All previous lessons are available on the Distance Learning Document. Please reach out directly to your child's teacher via e-mail if you are unable to access office hours or recorded lessons.

**Q:** I need help with Zoom and/or reaching the front office.

**A:** Our school phones are forwarded to a cell phone which is answered by a staff member. All calls will be answered each workday from 8 a.m. to 3 p.m. and any after hour messages will be returned on the next business day. You can also reach out to your student's teacher during the office hours for assistance or by email.

Have questions about distance learning or other school-related questions? Email [mrobinson@athlosjp.org](mailto:mrobinson@athlosjp.org) and we will feature questions and answers in our next newsletter.
