

8TH GRADE SUPPLY LIST

Welcome to the Grade 8! In order to gain an understanding of your reading comprehension skills, we are asking that you select a book to read over the summer. The book is your choice, but it should be a book you have not read before.

We encourage you to stay away from poetry and short story collections; however you are welcome to choose any other genre: memoir, novel, graphic novel, Manga, nonfiction, etc. Aim to find a book that is suited to your interests and reading level. It should be something that you can enjoy!
