5th Grade Summer Reading/Math

Welcome to the 5th grade! In order to gain an understanding of your reading comprehension skills, we are asking that you select a book to read over the summer. The book is your choice, but it should be a book you have not read before.

We encourage you to stay away from poetry anthologies and short story collections; etc. Aim to find a book that is suited to your reading level and your interests. It should be something you can enjoy!

We also encourage you to practice your multiplication tables. It will help you be successful in your 5th grade Math class.
