

Domestic Violence Program

METRO CENTERS FOR COMMUNITY ADVOCACY

Formerly Metropolitan Center for Women and Children | www.mccagno.org

As a domestic violence program, we provide advocacy and crisis intervention to survivors of domestic violence, sexual assault, stalking, and human trafficking in the Greater New Orleans area. Survivors come to our center for counseling, support groups, legal advocacy or shelter. We also do community outreach and education at local community centers and college campuses.

Metro's mission is to break the cycle of violence and aid survivors of sexual assault, domestic violence and stalking through advocacy, intervention, empowerment and transformation.
